Day 1

### Troy Visit

Our journey back in time to Troy, the legendary city from Homer's epic poems, begins with our departure from Istanbul. We venture towards the historic plains where this ancient city once thrived.

Delve into the realm of Greek mythology as we explore the ruins of Troy, famously depicted in Homer's epic tale, the Iliad. Walk through the remnants of the legendary Trojan Horse, witness archaeological wonders unearthed by Heinrich Schliemann, and unravel the mysteries of this civilization lost to time.

Explore the ancient site of Troy, including the iconic Trojan horse replica, 3700-year-old city walls, sacrificial altars, and historic structures such as the Bouleuterion and Odeon.

Visit the [Troy Museum](#), which showcases artifacts and exhibits spanning Troy's history. Divided into seven sections across four floors, it offers a comprehensive insight into the city's rich past.

Conclude the day with leisure time by the harbor, coffee breaks, and check-in at our hotel in Canakkale, where we can reflect on our journey through ancient history.
