Day-by-day plan & key activities

Day 1

Hanoi Arrival - Short City Tour

Upon arrival at the Airport, after clearing all customs procedures, please proceed to the exit gate and look for your guide, who will be waiting in the lobby, holding the signboard with your name. Your guide will meet you and transfer you to the hotel. (Early check-in is exclusive and subject to availability).

Then, we enjoy a one-hour cyclo trip around the trading area in Hanoi Old Quarter, wander around Hoan Kiem Lake, and visit Ngocson Temple and the markets.

Day 2

Hanoi - Halong Bay

Your Vietnam Beach vacation begins with a trip to Halong Bay, a collection of almost 2000 islands and jungle-clad limestone pillars in the Tonkin Gulf. Called “Bay of Descending Dragons” in Vietnamese, the archipelago is a UNESCO World Heritage Site and a world-famous travel destination.

Leave the hotel with a shuttle bus and go to Halong with a pass-through of fantastic scenery en route to tranquil villages and buffalo on fields.

Upon arrival, enjoy a welcome drink and a delicious freshly caught seafood lunch while sailing out of the Bay, passing amazing-shaped mountains. Enjoy the seascape from the sundeck or even in your private cabin through a glass window. For

more experience, go swimming or kayaking and visit the island's caves. In the late afternoon, we take part in a Vietnamese cooking demonstration by the onboard chefs and enjoy the seafood feast for dinner as stars emerge from behind those jungle-clad limestone pillars.

We spend the night on board in the elegant cabin with its handicraft wooden interiors and air conditioning. Alternatively, we can go night fishing before our overnight stay aboard.

Day 3

Halong Bay - Hanoi - Saigon by Flight

Rise early to catch the sunrise over Sung Sot Cave while taking part in a Tai Chi class with the boat's Tai Chi guru.

Enjoy a light breakfast, and sit on the upper deck to relax while taking in the breathtaking beauty of the rocky islands rising from the emerald water of the bay. Then, explore Sung Sot Cave, swim, and relax. Return to the jetty while brunch is served as you cruise through the bay and observe more fascinating rock formations.

Return to Hanoi by cruise shuttle bus. Take a private car for transfer to the airport for a domestic flight to Saigon. Upon arrival, our driver will pick you up and transfer you to the hotel for check-in.

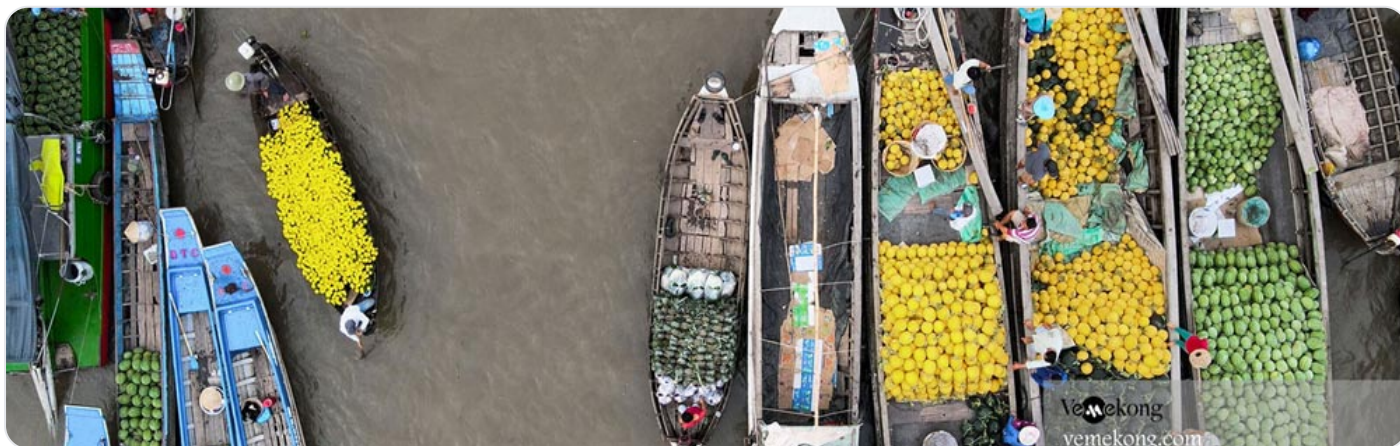

Day 4

Saigon - Free at Leisure

With over eight million inhabitants and four million motorbikes, Saigon is a city that never sleeps.

If today is your leisure day, head to a trendy restaurant or cocktail bar, or try street food near central Ben Thanh Market.

Today, we head to Cai Be floating market to explore the typical Vietnamese life of the Mekong Delta.

Upon arrival, we board a local boat and cruise along the Mekong River to discover the beautiful landscapes and immerse ourselves in the local people's market, where real trading takes place, such as selling, buying, and exchanging fruits, vegetables, and other wares from their boats.

Then, continuing, we will experience how the local people make their living from fruit trees. A local family will serve us local seasonal fruits and honey tea while performing traditional southern Vietnamese folk music, called Tai Tu music.

We continue exploring with a pleasant rowing trip down small canals and dense palm trees, experiencing the local villages between the islands and a small islet. Arrive in Tan Phong Island; you will check in your Mekong Ecolodge and tantalize our taste buds with a magnificent seafood lunch prepared by the family with a unique experience of tasting local delicacies. The unforgettable day menu is a set of typical Mekong Delta food.

After relaxing, we could walk around the village, visit the rice paddy, and talk to the local farmers. It would be a great experience to directly join the local farmers in their daily activities, such as how to catch fish and crab for your own dinner.

Late afternoon you are participating in cooking class and dinner with what you've cooked.

In the late afternoon, the family would love to show off their skills in whipping up your dinner, giving you a very creative cooking demonstration. Enjoy the dinner you have just cooked.

After breakfast, we take a cycling walk through the traditional villages with many ancient houses, set amongst a peaceful atmosphere, fruit trees, and bonsai garden, and witness the unusual yet fascinating process of coconut candy, the bang conical hat, and rice paper in the making. It is the typical cultural lifestyle of the South-Western region.

Cycle back to the Mekong Ecolodge for check-out and freshen up before returning to Saigon.

All good things must come to an end; you have free time until transfer to the airport for a departure flight with a bid farewell (Late checkout is exclusive and subject to availability)

Trip ends.
